A Diary

What a great day! Today was the school picnic day. We went to Lei Yue Mun Park Holiday Camp with our schoolmates and teachers. I was very excited that I almost couldn't sleep last night.

This morning, I woke up early and did a final check on my backpack. Afterwards, I went to school happily. We set off by coach shortly after arriving at school. When we arrived at the campsite, we went to the hall and listened to the briefing. We took a class photo together before we started the picnic.

First, I had a picnic with my classmates. We ate a lot of food, for example, sandwiches and potato chips. They were delicious. Then, we went to the canteen to take a rest. It was comfortable because there was air-conditioning. After that, we went up the hill to have a look. When we were at the top of the hill, we saw many bees. We were scared. We went down the hill quickly.

In the afternoon, I bought toys and an ice-lolly from the shop. Each ice-lolly was ten dollars and the toy was thirty-two dollars. I thought that was too expensive so I didn't buy any. Then, we went rope climbing on the playground. It was difficult but I did it successfully. I was so proud of myself. After that, I did arts and crafts. It was amazing that the plastic shrunk when it was put into the oven. It was fun and easy to do.

Finally, the teachers called us back. It was time to get back to school. We did a lot of things. We felt happy and delighted. I will tell my family what I did today. I hope I can go there again with my family.
